

Lonza

Junior QA Manager (f/m/d)

Job Description Summary

Today Lonza is a global leader in life sciences operating across three continents. While we work in science, there's no magic formula to how we do it. Our greatest scientific solution is talented people working together, devising ideas that help businesses to help people. In exchange, we let our people own their careers. Their ideas, big and small, genuinely improve the world. And that's the kind of work we want to be part of.

Ibex® Solutions (www.ibex.lonza.com) is a modular build complex to develop and manufacture biological products. It enables companies to get access to a complete solution, gaining speed and achieving a simplified value chain. The Ibex® Complex is our contribution to the medicine of tomorrow and possibly the next step in your career? Start your career with Lonza today.

Key responsibilities:

- Review of the Executed Batch Records
- Supporting of batch release by ensuring the completeness of the documentation package
- Review of comments added to the Executed Batch Records, clarify with the operations team and evaluate with the responsible QA Manager
- Supporting of the initiation of deviations and investigations records for manufacturing related discrepancies
- Collecting and evaluation on a regular basis KPI data
- Writing and revision of SOPs in the area of expertise

Key requirements:

- Bachelor in Biology, Chemistry, Biotechnology or other related field
- Previous experience in GMP regulated pharmaceutical / API industry is an advantage
- Ability to identify non-compliance and gaps from quality standards
- Structured, precise and well-organized working attitude; open-minded for new ideas and suggestions; agile, highly motivated and dynamic drive
- German native/very proficient and English good knowledge are required

Every day Lonza's products and services have a positive impact on millions of people. For us, this is not only a great privilege, but also a great responsibility. How we achieve our business results is just as important as the achievements themselves. At Lonza, we respect and protect our people and our environment. Any success we achieve is no success at all if not achieved ethically.

People come to Lonza for the challenge and creativity of solving complex problems and developing new ideas in life sciences. In return, we offer the satisfaction that comes with improving lives all around the world. The satisfaction that comes with making a meaningful difference.
