

# Lonza

## Line Mechanic

### Job Description Summary

Today, Lonza is a global leader in life sciences operating across five continents. While we work in science, there's no magic formula to how we do it. Our greatest scientific solution is talented people working together, devising ideas that help businesses to help people. In exchange, we let our people own their careers. Their ideas, big and small, genuinely improve the world. And that's the kind of work we want to be part of.

#### What you'll do:

- Repairing or replacing malfunctioning components, parts, and other mechanical or electrical equipment in the clean room and sterile environment (experience with aseptic filling lines is preferable)
- Performing functional tests to validate the effectiveness of repair work. Maintaining records of maintenance services and repairs
- Complete manufacturing activities in the area of Drug Product according to cGMP guidelines, ensuring batch execution, evaluating test results, resolving issues, troubleshoot manufacturing equipment and make recommendations for resolution
- Eliminating faults in the systems
- Open and track malfunction reports
- Continuous improvements
- Cooperate, advice and support Plant Engineering department
- Coordination of work processes in consultation with the team leaders
- Advanced handling of SAP, Cornerstone, DMS, Office 365

#### What we're looking for:

- You have completed an EFZ apprenticeship as a mechanic or related profession (production mechanic, car mechanic, etc.)
- Several years of experience as a mechanic is an advantage
- Excellent interpretation of P&ID diagrams or drawings
- Very good knowledge of German is essential, English is an advantage
- Independent and detailed way of working
- You are customer focused and open to new ideas
- Communication skills, initiative and resilience round off your profile
- Willing to work in 2-Shifts pattern

*Relocation assistance is available for eligible candidates and their families, if needed.*

#### Inclusion, Diversity & Belonging (IDB)

Inclusion is one of Lonza's four core values, alongside integrity, innovation and initiative! We understand the value of our differences and the benefits they bring to our company, community and culture. We also recognize the value of every person's contribution, regardless of characteristics, preferences and beliefs – including race, color, ethnicity, sexual orientation, gender identity and religion.

Every day, Lonza's products and services have a positive impact on millions of people. For us, this is not only a great privilege, but also a great responsibility. How we achieve our business results is just as important as the achievements themselves. At Lonza, we respect and protect our people and our environment. Any success we achieve is no success at all if not achieved ethically.

People come to Lonza for the challenge and creativity of solving complex problems and developing new ideas in life sciences. In return, we offer the satisfaction that comes with improving lives all around the world. The satisfaction that comes with making a meaningful difference.
