

## Senior QA Specialist II, Quality System (f/m/d)

### Job Description Summary

Senior QA Specialist (Hybrid) - Quality System

Location: VISP

Hybrid Working Model (3 days in the office, 2 days WFH)

Today, Lonza is a global leader in life sciences operating across three continents. While we work in science, there is no magic formula to how we do it. Our greatest scientific solution is talented people working together, devising ideas that help businesses to help people. In exchange, we let our people own their careers. Their ideas, big and small, genuinely improve the world. And that's the kind of work we want to be part of.

#### The role:

Currently, we are looking for a Senior QA Specialist, Quality System for our biggest site in Switzerland, in Visp. The Senior QA Specialist, Quality System is responsible for supporting the oversight of the quality management system and will interact with many different business functions.

#### Key responsibilities:

- Generating and maintaining accurate reports of compliance activities and documents, including trending of key quality indicators, e.g for non-conformities, CAPAs, changes, training status, among others.
- Supporting implementation of corporate documents at local level.
- Collaborating with other departments to ensure harmonization throughout the site on QMS related topics.
- Identifying and managing projects that focus on QMS needs, as required at Lonza Visp Site.
- Active participation in audits and inspections as well as follow-ups.
- Performing other duties as assigned.

#### Key requirements

- (B.Sc.) in Chemistry, Biology, Biochemistry, Biotechnology, or a comparable qualification.
- Experience in the GMP environment and the manufacture of "Drug Products" is an advantage.
- High communication skills combined with assertiveness.
- Fluent in German and English skills.
- Structured, self-responsible, and precise working style.

Every day, Lonza's products and services have a positive impact on millions of people. For us, this is not only a great privilege, but also a great responsibility. How we achieve our business results is just as important as the achievements themselves. At Lonza, we respect and protect our people and our environment. Any success we achieve is no success at all if not achieved ethically.
