

JOIN A KEY SWISS PLAYER! Based in Switzerland, Univerre is a company of 38 years of excellence. As a market leader in the design, decoration, distribution and washing of glass packaging, Univerre is proud to be a partner of choice for the major Swiss brands in the food and beverage industry, and has a clear focus on the international market and industry 4.0. **Glass is the material of the future, and we will do everything to contribute to its success!**

Our ERP is smart, as it was created by us and for us. Developed in **.Net**, we manage it totally, and to support our growth we want to develop it even more and prepare it to be plugged with the best external solutions on the market. For this reason, our IT team is expanding, and we are looking for our HQ in Sierre 2:

.Net Developers

Your Mission

- Develop, test, and integrate new features of our tailored-made ERP.
- Implement ERP-Cloud integration solutions using the latest industry best practices.
- Ensure software quality by automating functional and unit tests.
- Manage releases and ensure technical documentation.
- Train and support end users on our ERP.

Your professional profile

- Bachelor's degree in computer science, information systems or equivalent field.
- You already have a proven experience in developing .Net applications, preparing the documentation and supporting the end-users.
- You know how to use several languages, tools, technologies and frameworks, in particular .Net, C# & MS-SQL. Also, an experience of Java, Javascript, PHP, MySQL is a plus.
- You are able to manage client-server and ERP-Cloud integrations using web services (SOAP/REST APIs).
- Know how to develop and perform unit and automated tests.

What else sets you apart

- Native speaker of English or French, you can communicate in the other language
- Ability to adapt to all audiences and translate their business needs into digital objectives.

We offer

- Strong and dynamic corporate culture
- A solid team with a great team spirit
- Modern working atmosphere and perspectives
- Environment that promotes initiative
- Continuous training and permanent skills enrichment
- Good social benefits and an excellent work environment

All good ? If this sounds like a plan to develop your career in an extraordinary way with us, it happens here: www.univerre.ch/jobs.

See you soon ! *Univerre Team*
